

iHALO ORIGINS

Original story by Stephan and Michael Kozak / In development

ORIGINAL STORIES / RODYNA

A HERO HAUNTED BY WHAT HE SEES.

Jack O'Brian enters the realm of the dead at his father's grave. He returns with a fractured halo and the power to manipulate the dead. The cost: he can see them everywhere.

iHalo begins as a graphic novel. An interactive edition will let readers trigger motion and sound as characters cross the page.
